

Find the volume of each composite figure. $\triangle = 8$

$$\square = 2000$$

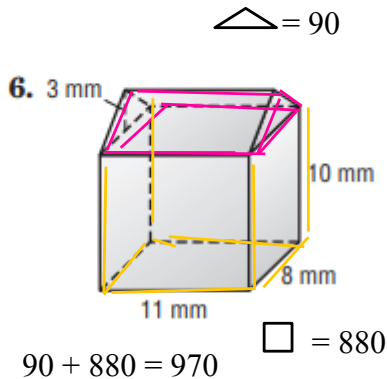

$$2240 \text{ ft}^2$$

$$240 + 2000 = 2240$$

$$48.5 \text{ in}^2$$

$$40.5 + 8 = 48.5$$

$$\square = 880$$

$$970 \text{ mm}^2$$
