

# End-of-Year Wrap-Up

Name \_\_\_\_\_

Date \_\_\_\_\_

Period \_\_\_\_\_

**Please write at least two sentences for each question.**

1. Which math topic do you feel is your best? Why?

i feel like the last lesson was a bit hard at 1st but i got the hang of and it was ez

2. Which math topic do you feel is your worst? Why?

i felt the worst at the algebra we did this year i gust did not get it

3. What two or three things would you change about our math class?  
(You may not say "Too much homework." Sorry!)

i feel like that mr g could be a little bit more in to detail and one more is that he could do more exsampals

4. Which topics did we spend too much time on?

we spent too much time on how to find the missing factor

5. Which topics did we spend too little time on?

we spent too little time on find the area and circumferences

6. What are two or three things that you would suggest to improve our math class? Do you have any ideas that could make math class more interesting?

i feel that mr g could go over the problems a little and he could a little more nice and do good things more

7. Do you have any other comments or suggestions for me?

no over all this class was good i hope this will help
