June 1, 2001

**To Whom It May Concern:**

Jeffery Morse was enrolled at Mother Lode Truck Driving School for his Class A License. He graduated on May 29, 2001 with excellent scores. During Mr. Morse's time at the school, he was very pleasant. Mr. Morse never missed a day of his training, and he exceeded our expectations of a model student. Mr. Morse learned D.O.T rules and regulations and is D.O.T certified. Mr. Morse's grades were exceptional and he passed his classes with an A average. He showed great respect for the equipment that he was driving, and he is a quick learner. Mr. Morse has shown excellent skills with his driving abilities and his eagerness to learn more. The training and experience that Mr. Morse has received at our school puts him in the Trucking Industry as a three-year veteran driver. I personally believe that Mr. Morse would be an asset to any company that hired him as a professional driver. If you would like more information about Mr. Jeffery Morse, please feel free to call me at the above number, and I would be more than happy to answer your questions.

Thank you,

Elizabeth Workman
