To Whom It May Concern:

It is a pleasure for me to write this letter on behalf of Jeffery Morse.

I have known Jeff for approximately 1-1/2 years on a teacher/student basis. During this time, Jeff has always proven himself to be a good student, who is conscientious, serious-minded, with great confidence in his convictions. Jeff served as a member to the Associated Students of Yuba College in the position of Senator during the 1993-94 academic year and as President during the 1994-95 academic year. Jeff also served as California Student Association of Community Colleges (CalSACC) Region II Vice President during the 1994-95 academic year. Jeff has served as an enthusiastic participant in projects which he has been involved with during his association with the Student Council.

Moreover, Jeff exhibits characteristics of honesty, integrity, and responsibility which personify a person of good character.

Based on Jeff Morse past endeavors and achievements it is my firm belief that he would prove to be an asset to any organization.

Sincerely,

Jay Simpson
