To whom it may concern

It is my pleasure to write this letter on behalf of Jeffery Morse.

I have known Jeff for approximately two years on a Supervisor/teacher-employee basis. During this time, Jeff has always proven himself to be an asset to our school, who is conscientious, serious-minded, with great confidence in his convictions. Jeff held several positions while in our employ. In the position of Chemistry Instructor he elevated class standards to new heights, as Chemistry Lab instructor / tech Jeff set the foundation for a solid lab program. Jeff also was our Advanced math instructor in which his knowledge of math was of great use. However, his greatest asset to our school is his skill with computers. We found that there is no problem which he can't fix whether Hardware or software. Jeff has built and upgraded several computers for us. Jeff has always been enthusiastic and dependable in what ever he was doing.

Moreover, Jeff exhibits characteristics of honesty, integrity, and responsibility which personify a person of good character. Based on Jeff Morse's past endeavors and achievements it is my firm belief that he would prove to be an asset to any organization. I am also happy to call him a friend.

Sincerely,

Sara Hinz

Director/Principal New Life Christian Schools
