

New Day

Calling everyone on earth
A new day has dawned on us
God has died with all our sins
But He's risen from the dead

**New day brand new creation
New life new life this is salvation
Your death Your life Your resurrection
Has made a way for us to see the new day**

All who choose to die with Him
Daily taking up the cross
Will be raised to life again
This is what our God has done

*The old has gone the new has come
There is hope for everyone for everyone (to
see the)*
