We Shall Not Be Shaken

The More We See

Our hearts are breathing in the wonders of Your name
And we're breathing out Your praise
The more we see, we sing
The circle never ends
For Your glory never fades
And surely as the rising sun
Your love O Lord endures, Your love endures forever

From the heights of Your throne
To the depths of Your heart
Your majesty surrounds us
In the power of Your life
In the grace of Your cross
Your mercy Lord has found us

Your power we see displayed
In all that You have made
In the sky and sea and stars
And here beneath Your cross
Your mercy speaks so loud
Speaking straight into our hearts
And surely as the rising sun
Your love O Lord endures, Your love endures forever

And the more we see, we sing
'Holy is the name of the Lord'
And the more we see, we sing
'There is no-one like You, God'

Your majesty surrounds us
Your mercy, Lord, has found us
There is no one like You, God

This Is How We Know

This is how we know
This is how we know what love is
Just one look at Your cross
This is where we see, this is where see how love works
For You surrendered Your all
This is how we know
That You have loved us first
And this is where we chose to love You in return

For You so loved the world
That You gave Your only Son
Love amazing, so divine, we will love You in return
For this life that you give
For this death that You have died
Love amazing, so divine
We will love You in reply, Lord

And our love will be loud
Our love will be strong
Our love should be hands and feet
That serve You in this world
So let it stay true and let it endure
That You will be glorified and worshipped and adored

King Jesus we love You, for we have been loved
King Jesus we love You, for we have been loved
King Jesus we love You, for we have been loved
King Jesus we love You, for we have been loved
We have been loved

We Shall Not Be Shaken

When everything's breaking
You are left unshaken
When everything's tumbling down
You're the solid ground
Nations could be quaking
Economies failing
When fear is found all around
You're the solid ground

Our God, You are all that You say
You are never change, You never fail, You never fade
Our God, You are faithful in all Your ways
Forever You stand, forever You reign, forever remain
And we shall not be shaken

We shall, we shall not be shaken
We shall, we shall not be shaken
When all around is sinking sand
For You are, You are never changing
You are, You are never changing
You will stand, the Great I Am

Lord Jesus, come in glory

Lord Jesus, come in glory

Rising, You restored our life

Dying, You destroyed our death

All are welcome in this place

None too broken or ashamed

None too lost to be saved

Every trial we will face

Know that He has overcome

See His body, His blood

We remember You

We respond to Your invitation

Our worship leads to communion

And as we worship You

And remembrance leads us to worship

Lord, we remember You

By Your mercy we come to Your table

By Your grace You are making us faithful

For any to receive

Now the simple made divine

Say 'take this bread, take this wine'

Into this mystery?

Oh how could it be
That my God would welcome me

Remembrance

How Great Is Your Faithfulness

Now unto the King who reigns over all
And never changes or turns
Unfailing justice, unfading grace
Whose promises remain
Yes, Your promises remain

The heavens ring
The saints all sing
"Great is Your faithfulness"
From age to age
We will proclaim
"Great is Your faithfulness
How great is Your faithfulness"

Everything changes, but You stay the same
Your word and kingdom endure
We lean on the promise of all that You are
And trust forevermore
We will trust forevermore

From generation to generation
You never fail us, O God
Yesterday and today and tomorrow
Until the day You return

Through It All

Through it all, You are faithful
Through it all, You are strong
As we walk through the shadows
Still You shine on

So many broken promises
So many empty words
God of love and faithfulness
Have mercy on this world

You never turn or change
You never break the faith
Yesterday, today and always

Through it all, You are faithful
Through it all, You are strong
As we walk through the shadows
Still You shine on
Still You shine on

God of unbroken promises
Always You keep Your word
Glory, grace and holiness
Forever to endure

You are faithful
Jesus, You are faithful to the end
You are faithful
Jesus, You are faithful to the end

You Alone Can Rescue

Who, O Lord, could save themselves
Their own soul could heal?
Our shame was deeper than the sea
Your grace is deeper still

You alone can rescue
You alone can save
You alone can lift us from the grave
You came down to find us, led us out of death
To You alone belongs the highest praise

You, O Lord, have made a way
The great divide You healed
For when our hearts were far away
Your love went further still
Yes, Your love goes further still

We lift up our eyes, lift up our eyes
You're the giver of life

The Glory Of Our King

The rocks are going to cry out if we don't
Now's the time to raise a song
Hear creation shout loud
We will join our voices to that sound
Stand up, stand up – the time has come

Sing it out, sing an anthem to His name
A generation worshipping unashamed
Giving all for the glory of our King
We will run, we will run after Your heart
We believe You are all that You say You are
Giving all for the glory of our King
The glory of our King

The church is waking up now
To be Your hands and feet upon this earth
Send us in Your power
As we take Heaven to a broken world

We are, we are a chosen people
We are, we are called to follow
We are, we are Your generation
You are, You are the God who saves us
You are, You are the God who sends us
You are, You are the God who's with us

For Your Glory

We will dance, we will dance for Your glory
We will dance, we will dance for Your glory
We will dance for Your glory, Lord
We will lift up a shout to adore You
Every sound that we make, it is for You
We will dance for Your glory, Lord

For salvation's in this place
You're the name by which we're saved, Jesus, Jesus
Let Your name be lifted high
As our thankful hearts now cry, "Jesus, Jesus"

Lift up your heads, you ancient gates
Be lifted up, you ancient doors
The King is coming in, the King is coming in
We lift up a shout to shake the skies
Lift up a cry, "Be glorified!"
The King is coming in, the King is coming in

We're the people of God with a song to sing
And we're bringing our lives as an offering
We will dance for Your glory, Lord
And Your cross is the hope that we hold up high
As we tell the whole world of Your love and life
We will dance for Your glory, Lord

Gloria

The skies are filled with Your glory
The oceans mirror Your grace
How deep, how high, how wonderful You are
The earth is telling Your mystery
The heavens singing Your praise
How deep, how high, how wonderful You are, You are
We're living to tell Your story now
Your glory and grace, O God

Gloria, Gloria!
Heaven and earth sing how great You are
Gloria, Gloria!
To You evermore

The nails, the thorns and the offering
As You surrendered Your breath
How deep, how high, how wonderful You are
Now we're becoming an offering
Singing with every last breath
How deep, how high, how wonderful You are, You are

Yours is the kingdom, and the power, and the glory
Yours is the anthem, and the honor, and the story

All That Really Matters

Let our lives become a song for You
Like a prayer that reaches high
The glory of Your name our greatest cause

Let our lives become an offering
Ever pleasing to Your heart
The glory of Your name our highest call

All that really matters
All that really counts is found in You
What else would we live for?
You're the Way, the Life, the Truth
All that really matters is You

Let our lives become a light for You
Like a city on a hill
We'll glorify Your name forevermore, Lord

King of glory, be the center
King of glory, You'll be the prize
We shall have no other treasure
All that counts is You lifted high

All that matters, all that really matters is You
All that matters, all that really matters is You

My Hope

My hope is built
On nothing less
Than Jesus' blood and righteousness
I dare not trust
The sweetest frame
But wholly lean
On Jesus' Name

When the mountains are falling
When the waters are rising
I shall be safe in You
Though the nations are quaking
Every kingdom be shaken
Still I will rest in You

When darkness seems
To hide Your face
I rest on Your
Unchanging grace
In every high
And stormy gale
My anchor holds
Within the veil
