

AMEN

DAVID RUIS

**Who was and is
And is to come
Here on the earth
Let His will be done**

**He never changes
He never sleeps
He rules with justice
And He reigns in peace**

**And we say "Amen, amen"
"Amen, amen"**

**He took on flesh
To bear our sin
Embraced the cross
And He rose again**

**So we are watching
And we wait
For the day approaching
When He comes again**
