Because He lives, I can face tomorrow

Because He lives, all fear is gone

Because I know He holds the future

And life is worth the living just because He lives

How sweet to hold a newborn baby

And feel the pride and joy he gives

But greater still the calm assurance

This child can face uncertain days because He lives

And then one day I'll cross the river

I'll fight life's final war with pain

And then as death gives way to victory

I'll see the lights of glory and I'll know He lives
