

# Come in

Heather Clark

(other than the first line the entire song is C G Am F)

**C            G                            F**

I have come to greet the King

**C                    G                    Am            F**

I've come to give myself in total abandonment

**C                    G                    Am                    F**

I've come to lay down all that holds me back from you

**C                    G                    Am                    f**

I've come to lay down all that holds you back from me

**C                    G    Am            F**

Come in, Come in, King of glory

**C                    G            Am                    F**

Come in, come in, we welcome you this day.
