God's got an army marching through the land

Em

There's everlasting joy and gladness in their heart

D

C

G

And in this army I've got a part.

I.

God said to Abram, come and follow me.

I'll lead you to a land, that flows with milk and honey

As far as you can see I'll give it all to thee

And children like the sands of the sea.

II.

God asked Ezekiel, can these bones live again?

Ezekiel said, Lord you know if they can.

Then preach to these bones, say come together and stand

It's time, we're gonna march through this land.

III.

In the clouds of heaven King Jesus shall descend

And every knee shall bow, and every tongue confess

He'll reign throughout this land in peace and righteousness

And I'll be there in the army of the blessed.
