

# How Could You Say No

Julie Miller written by Mickey Cates

D        A    G   D/F#   Em7                    Em7   D/F#   G            D        A  
Thorns on his head   spear in his   side Yet it was a heartache that made him cry  
D        A        G   D/F#        Em7  
He gave his life so you would understand  
G        G/F#   Em7                    A        D  
Is there any way you could say no to this man  
D        A        G   D/F#   Em7  
If Christ himself were standing here  
Em7   D/F#   G        D        A  
Face full of glory and eyes full of tears  
D        A        G   D/F#        Em7  
And he held out his arms and his nail printed hands  
G        G/F#   Em7                    A        D  
Is there any way you could say no to this man  
Gmaj7        D        G   D/F#        Em7  
How could you look in his tear stained eyes  
D/A                    Asus A  
knowing it's you he's thinking of  
A        Bm                    A        G  
Could you tell him you're not ready to give him your life  
D                                    Asus A  
Could you say you don't think you need his love  
D        A        G   D/F#   Em7  
Jesus is here with his arms open wide  
Em7        D/F#        G                    D                    A  
  
You can see him with your heart if you'll stop looking with your eyes  
D        A        G   D/F#        Em7  
He's left it up to you, he's done all that he can  
G        G/F#   Em7                    A        D  
Is there any way you could say no to this man  
Gmaj7        D        G   D/F#        Em7  
How could you look in his tear stained eyes  
D/A                    Asus A  
Knowing it's you he's thinking of  
A        Bm                    A        G  
Could you tell him you're not ready to give him your life  
D/A                                    Asus A  
Could you say you don't think you need his love  
D        A        G   D/F#        Em7  
Thorns on his head   your life in   his hands  
G        G/F#   Em7                    A        D  
Is there any way you could say no to this man  
G        G/F#   Em7                    A        D  
Is there any way you could say no to this man
