

# I still Believe

Steve Smith

## Verse 1

**G** **G/E** **G** **G/E**  
Though sometimes my life gets so rough, When the common thing is not to trust  
**C** **Dsus** **G** **G/E**  
Oh you know I still believe, When help Just seems so far away  
**G** **G/E** **C** **Dsus** **G**  
The saving hope I just have to say, Is you know I still believe

## Chorus

**D** **C** **G**  
I still believe in a man on the cross, I still believe that without Him I'm lost  
**D** **C** **G**  
I still believe He will do what He said, Yes I Believe  
**D** **C**  
I still believe that His love is untouched  
**G**  
By anyone else they can't love me as much  
**D** **C** **G**  
I still believe He's the answer I need, I still believe

## Verse 2

**G** **G/E** **G** **G/E**  
So when problems try to bring me down, I know just where my hope is found  
**C** **Dsus** **G** **C/G** **G** **G/E**  
It's in Jesus, I still believe, So bring you fears to the cross  
**G** **G/E** **C** **Dsus** **G**  
His mercies there your troubles lost, He is here, If you believe
