Who has told every lightning bolt
where it should go?
Or seen heavenly storehouses laden with snow?
Who imagined the sun
and gives source to its light?
Yet conceals it to bring us
the coolness of night
None can fathom . . .

Indescribable, uncontainable
You place the stars in the sky
and you know them by name
You are amazing, God
Incomparable, unchangeable
You see the depths of my heart
and You love me the same
You are amazing, God
