The flowers of the fields are crying to be heard
The trees of the forest singing
And all of the mountains with one voice
Will join in the chorus of this world

Chorus:

And I will not be silent
And I will not be quiet anymore
I will not be silent
I will not be quiet anymore
Running Through the forest
Dive into the lake bare feet on beaches white
Standing in the canyon painted hills around
the wind against my skin
Every ocean every sea
Every river every stream
Every mountain every tree
Every blade of grass will sing
