His craft and power are great, And armed with cruel hate

On earth is not His equal

Did we in our own strength confide, our striving would be losing
Were not the right Man on our side, The Man of God's own choosing
Dost ask who that may be, Christ Jesus, it is He
Lord Sabbath His name, From age to age the same
And He must win the battle

And though this world with devils filled, Should threaten to undo us
We will not fear for God hath willed, His truth to triumph through us
The prince of darkness grim, We tremble not for him
His rage we can endure, For lo his doom is sure
One little word shall fell him

That word above all earthly powers, No thanks to them abideth
The spirit and the gifts are ours, through Him who with us sideth
Let goods and kindred go, This mortal life also
The body they may kill, God's truth abideth still
His kingdom is forever
