**D Em F#m G**  
To you I give my life  
Not just the parts I want to  
To You I sacrifice  
These dreams that I hold onto

(Chorus)

**Bm A/C# D/F# G**  
Your thoughts are higher than mine  
**Bm A/C# D/F# G**  
Your words are deeper than mine  
**Bm A/C# D/F#**  
Your love is stronger than mine  
**G A G A Bm A/C# D/F# G**  
This is no sacrifice, here's my life

To You I give the gifts  
Your love has given me  
How can I hoard the treasures  
That You designed for free?

(Chorus)

To You I give my future  
As long as it may last  
To You I give my present  
To You I give my past
