

# Psalm 91

David Bronson

Where is Your rest?      Where is Your peace?  
Where is the shadow of Your wings?  
Inside Your shelter,      I want to dwell.  
You cover me safely.      Your love never fails.

Bridge:

You are so faithful.  
I will not fear.  
Though thousands may fall down.  
It won't come near.

Chorus:

I will dwell in the secret place, in the shadow of your wings  
You'll be my shelter and my fortress I will never cease to praise.  
I will dwell in the secret place, in the shadow of your wings  
You'll be my shelter and my fortress I will fall down on my knees.
