

D - Bm - G - A

WIDE OPEN

G  
Heaven's gate's were closed  
Bm  
And there seemed to be no hope, for fallen man

We were prisoners of are sins  
Bm  
With no way to enter in, God had a plan  
D G A Bm  
The father knew there had to be a perfect sacrifice

So Jesus came, a cross was raised and He laid down His

Life.

CHORUS:

D Bm  
Wide open, wide open  
G A  
They nailed His arms wide open  
D Bm  
After three days in a cold grave  
G A  
The power of sin was broken  
D F#7  
Now with outstretched arms He welcomes in  
Bm-A E  
Everyone who trust in Him  
G Asus-A D  
His nail-scarred hands hold heavens gates wide open  
G

For so long my eyes were closed  
Bm  
I couldn't see a ray of hope, for someone like me  
G  
And in my despair I cried

Bm  
there's got to be more to this life, Lord help me please
